Sensing Where China IP Reforms Go

He Jing

杰出，所以安心

Impactful · Creative

What are the **notable events**?

- Supreme Court IP Court (Chinese CAFC)
- **A**bolish controversial technology transfer rules
- **R**egulations on bad faith trademarks
- **C**ases on injunctions (Micron and QUALCOMM cases)

Supreme Court **IP Court**

- Establish at the end of 2018
- **O**ther courts - forum shopping?

Technology transfer rules **Abolished**

- Indemnity
- **O**wnership of improvements
- **N**o compulsory transfer by local policies

What to watch

- IP Reforms for Biopharmaceutical Innovation

- Patent term restoration
- Patent linkage: where to link?
- Regulatory data protection

What to watch

- IP Reforms for Biopharmaceutical Innovation

- **10** genetics applications approved by NMPA (drug approval authority)
- **C**hina choosing between India and US model?

What are the other **true reforms** to require?

- **C**riminal enforcement - need IP police team
- **P**rotection over streaming works (follow US?)

What is in the **future**?

- CPTPP
- Road Belt Initiative related IP agreements?

THANKS
